These specification details do not apply to any particular product which is supplied or offered for sale. The manufacturers reserve the right to vary their specifications, including colour, with or without notice and at such times in such manner as they think fit. Major as well as minor changes may be involved. Every effort, however, is made to ensure the accuracy of the particulars contained in this brochure. This publication shall not constitute in any circumstances whatsoever an offer by the Company to any person. All sales are made by the Distributor or Dealer concerned subject to and with the benefit of the standard Conditions of Sales and Warranty given by the Distributor or Dealer, copies of which may be obtained from him/her on request. Whilst efforts are made to ensure specification accuracy, brochures are prepared and printed several months in advance of distribution and consequently cannot always immediately reflect either changes in specification or in some isolated cases the provision of a particular feature. Customers are always advised to discuss specification details with the supplying Dealer or Distributor, especially if your model selection is dependent upon one of the features advertised.

Carefree Cruising

A compact, yet roomy car that accommodates five friends in comfort... Honda's Jazz is full of surprises. Next to its clever modern design and its amazingly efficient engine this car boasts numerous standard features. But let us not forget the wide range of specially designed Genuine Honda Accessories for you to choose from. For the young at heart, Honda's Jazz spells fun and freedom.

Easy Interior

- 34 **Door and Meter Panel Kit**
The cool, metallic interior finish will give your Jazz even more class. The kit consists of a meter panel and door panels.
- 33 **Leather Steering Wheel**
Enjoy the turns and bends with this leather steering wheel for the Jazz.
- 32 **Metal Gearshift Knob**
Feel in control handling a stylish gearshift knob that matches the metallic interior panels.
- 47 **Ultra Mat**
Keep the back of your car clean and avoid a worn-out look. In whatever position you put your rear seats - upright, tipped up, folded down - Honda's easy-to-use, multifunctional, waterproof Ultra Mat is designed to always perfectly fit the area that needs optimal protection.
- 48 **Ultra Net**
Hold your luggage firmly in place. Following the same multifunctional and easy-to-use concept of the Ultra Mat, this genuine Honda accessory can be used as a tie-down net, a vertical luggage net or a backseat net.
- 30 | 31 **Front Armrest and Sliding Lid**
For small personal items the front armrest has a storage box under the lid. For extra comfort the front armrest is equipped with a lid that features a 100mm sliding function.
- 29 **Roof Console**
Mounted on the ceiling, this smart console offers flexible storage for small and delicate items you like to have close at hand but not in your way. Features compartment for CDs and sunglasses.
- 44 **Trunk Tray**
Designed to protect the interior of your Jazz, this soft anti-slip tray is flexible and perfectly fits your trunk, even when the rear seats are folded down. Features Jazz logo and a special area to hold the CD changer when both are installed.
- 20 **Doorstep Garnish**
The brushed metal look adds an extra touch of refinement. Features Jazz logo.
- 21 **Dashboard Mat**
Anti-slip mat to keep smaller items from sliding around in the dashboard compartment.

4 Navigation DVD / CD Tuner

To help you find your way almost everywhere in Europe, your Honda Navigation DVD system is a sophisticated, user-friendly piece of equipment. The Main Menu offers seven different ways to enter a desired destination: Address, Places (POI), Intersection, Map Input, Favourite Places, Previous Destination, and Phone Number. The system provides a map type screen and arrow to arrow type screen, as well as audio driving instructions. These instructions are provided well in advance of the actual driving manoeuvre, giving you time to slow down and change lanes if necessary. Key features for the tuner are: AM/FM band, RDS (Radio Data System), TA (Traffic Announcements), AF (Alternative Frequency). Navigation DVD ROM of Europe available separately. Please consult your local dealer for more information.

5 Subwoofer

Measuring only 16cm in diameter and 4cm in height this high-performance subwoofer combines remarkable compactness with amazing 120W maximum power and extremely low current consumption. Its secret lies in its innovative Neodymium magnet, ten times more powerful than that of conventional speakers. In short, this Honda subwoofer boasts power as well as quality.

19 Parking Sensors

Handy during difficult parking manoeuvres in the city. By means of 4 sensors installed on the rear bumper, the distance from obstacles within 1.5 metres is detected. The driver is warned through a clearly audible signal in the cabin area.

18 Fog Lights

Honda's powerful oval-shaped fog lights for the Jazz are nicely integrated into the front bumper. Designed to watch over your safety in the most difficult weather conditions.

Quality

When you drive a Honda Jazz, you drive a top-quality vehicle. Also each accessory is created with the greatest possible detail to design, as well as technology.

At Honda, we know that when it comes to cars your priority is finding the absolute best on today's market. That is why, like all Honda products, our Jazz and its Genuine Accessories are designed using the latest technologies and according to special Engineering Standards, unequalled in their field. Our dedication and hardnosed insistence to live up to these standards result in our major goal: long-lasting customer satisfaction.

Driving a Honda Jazz is driving a safe and tested piece of modern-day technology. Have a great journey.
