

MONITROSE
your 52 week holiday

The 'MONTROSE' your 52 week holiday

The Honda 'Montrose' is probably the holiday that you have been looking for. No more hotels which have to be booked months in advance, and if it starts to rain, jump into your holiday home and drive towards the sun.

How about that autumn fishing holiday, don't bother to book a hotel, just take your economical 'Montrose' into the hills and chase the elusive salmon — for as

long as you want — the 'Montrose' is your personal hotel.

Thinking of a winter break, and fancy that skiing holiday? Don't bother with booking in advance — just watch your reliable 'Montrose' eat up those miles to the ski resorts of Scotland. The glass-fibre insulation of the 'Montrose' will keep you snug and warm during those apres ski drinks and during

the cold of the night. Got a spare weekend, let your 'Montrose' whisk you away to ... wherever pleases you.
